25/06/2015 04:19	Because to be honest I don't really like the doctors but the service is okay.
25/06/2015 04:13	Expensive or not, please advise us which medicine efficient can solve our problem or disease straight away.

25/06/2015 04:51	The appointment was made for 3.35 for my 2 year old son. After checking in at 3.25 we had to wait nearly 40 minutes to be seen. It is not fair as I had both my 2 year old son and 7 month old baby crying whilst waiting.

19/06/2015 02:24	I would very much recommend Dr Guy, but not Dr Whiting as he dismissed me in such a way it was hurtful and humiliating last time I saw him. 'What do you want me to do about it?' is not in any way helpful or encouraging.
